1. Compliance with the Olympic Charter and other rules. My participation in the Olympic Winter Games Milano Cortina 2026 is subject to me complying with certain fundamental rules which aim at ensuring the integrity of the Olympic Winter Games Milano Cortina 2026, protecting the health of the Participants to the Olympic Winter Games Milano Cortina 2026 and protecting clean athletes.

I agree to comply with all these rules and responsibilities in particular those arising from the following:

- a. the provisions of the Olympic Charter, including the peace mission of the Olympic Movement;

- e. the IOC Social and Digital Media Guidelines; and
- f. any other set of rules and instructions (including any update thereof) related to my participation to the Olympic Winter Games Milano Cortina 2026.

My compliance with such rules supports the mission of the IOC and of the Olympic Winter Games Milano Cortina 2026 to promote unity and peace.

2. Capture and use of images and contents. As a Participant, I may be filmed, photographed, identified and/or otherwise recorded at the occasion of the Olympic Winter Games Milano Cortina 2026. Images of me taken at this occasion may be used together with related information as part of the media coverage of the Olympic Winter Games Milano Cortina 2026, or otherwise to inform the public about the Olympic Winter Games Milano Cortina 2026 and promote the Olympic Movement.

I further agree that the resulting filmed, photographed or recorded image (together with my name, likeness, voice, performance and biographical information) may be used and/or distributed (including by reproducing, distributing, communicating to the public and making it available), in any content and through any media, format or technology whether now existing or created in the future, without compensation (financial or otherwise), for the maximum duration permitted by applicable law, by Milano Cortina 2026, the IOC and any entity, now existing or to be created, which is directly or indirectly controlled by the IOC, including without limitation Olympic Broadcasting Services SA (Switzerland), Olympic Broadcasting Services S.L. I acknowledge that the IOC holds various exclusive rights in the Olympic Games (including the Olympic Winter Games Milano Cortina 2026), as the case may be, author's rights and trademarks rights. I understand that such exclusive rights prohibit the commercial exploitation and the making available to the public of photographs, sound recordings or videos of the Olympic Winter Games Milano Cortina 2026 by any individual or entity not expressly authorised to do so by the IOC and/or Milano Cortina 2026.

I acknowledge that I may take or record still and moving images and/or sounds within the perimeter of the Olympic Winter Games Milano Cortina 2026's areas and venues where the Olympic Winter Games Milano Cortina 2026 and related events occur, as designated by Milano Cortina 2026 ("**Games Areas**"), for my personal, private, non-commercial and non-promotional use, subject to compliance with the IOC Social and Digital Media Guidelines.

To the extent permitted by applicable laws, I agree that the IOC shall be sole owner of any intellectual property rights (including copyright) in such content without further authorisation from, or payment or compensation to, me or anyone acting on my behalf, and I hereby assign any rights I may have in respect of such content to the

IOC. To the extent permitted by applicable laws, I hereby agree to waive or not to exercise any moral rights I may have in respect of such content against Milano Cortina 2026, the IOC and any third parties authorised by them, including without limitation the right to make derivative works or to modify the content.

Pursuant to the above, I acknowledge that the IOC hereby grants me with a limited and revocable license to use the still and moving images and/or sounds that I take or record within the Games Areas, provided that such use is personal, private, non-commercial and non-promotional and that otherwise complies with any additional IOC requirements (including the IOC Social and Digital Media Guidelines). I acknowledge that I am solely responsible for the use of these still and moving images and thereafter, I release Milano Cortina 2026, the IOC, the IOC's Affiliates, and any third parties authorised by them (and their respective members, directors, officers, employees, volunteers, contractors or agents) (collectively, "**Released Parties**") from any responsibility in connection with them. I understand that, in case of breach of the IOC Social and Digital Media Guidelines and/or any other rules or guidelines regarding the recording or making available of content, the IOC shall be entitled to take any action in order to remedy such infringement.

I acknowledge that I am prohibited from: (i) taking pictures and videos and from recording audio or making any other recordings in any "Photography Prohibited Area" designated in the Games Areas and its surrounding areas, as well as in any other restricted areas designated by Milano Cortina 2026, the IOC or any other authorised person and (ii) collecting, disseminating, transmitting, or publishing any scores, statistics or other information related to the Olympic Winter Games Milano Cortina 2026 taking place within the Games Areas for any commercial, betting or gambling purpose.

3. Sport competition including music and other creative elements as part of performance. My performance may include music and other creative elements (such as a choreography or a designed outfit) for which I acknowledge that the use of these elements may require third-parties' consent.

I confirm that I have obtained all rights and authorisations in connection with any creative elements included in my performance for them to be filmed, televised, photographed, identified and/or otherwise recorded as part of my performance at the Olympic Winter Games Milano Cortina 2026, without any restriction or required payment, compensation or authorisation for Milano Cortina 2026, the IOC, the IOC's Affiliates, for their use in accordance with the terms described under Section (2) hereabove. I agree that I will report on the musical compositions and sound recordings used, in accordance with the processes and guidelines put in place by Milano Cortina 2026 in this respect.

4. Acknowledgment and acceptance of risks while participating in the Olympic Winter Games Milano Cortina 2026. My participation in the Olympic Winter Games Milano Cortina 2026 may imply exposure to certain risks (e.g. injury, loss of property, infectious diseases), which, despite all care taken by Milano Cortina 2026, the Italian authorities, the IOC and the IOC's Affiliates, may not be completely eliminated.

I agree that I participate in the Olympic Winter Games Milano Cortina 2026 at my own risk and own responsibility, including any potential impact on my participation and/or performance in the Olympic Winter Games Milano Cortina 2026, serious bodily injury or the potential exposure to health hazards such as the transmission of infectious diseases while attending the Olympic Winter Games Milano Cortina 2026 (including the travel to/from the Olympic Winter Games Milano Cortina 2026 and its preparations), and that I will take all reasonable and appropriate measures to protect myself from the risks related to my participation and to mitigate the risk of such exposure. I also agree that I am responsible for all property I bring into the Games Areas and that the Released Parties shall have no responsibility for any loss or damage to this property.

To the fullest extent admissible under applicable laws, (i) I irrevocably release the Released Parties from any liability for any kind of loss, injury, infectious disease or damage that I, or my property may suffer or be exposed to

in relation to my participation in the Olympic Winter Games Milano Cortina 2026 and (ii) notwithstanding the foregoing, in any event where the Released Parties are liable for any damages I suffered under the applicable laws, I agree that the Released Parties' liability shall be limited to actual and direct damages which are reasonably incurred by me.

5. Processing of Personal Data. Milano Cortina 2026 and the IOC will process certain Personal Data about me for several purposes including the following: allow my participation in the Olympic Winter Games Milano Cortina 2026, ensure the security at the Olympic Winter Games Milano Cortina 2026, manage accreditations, competitions and results, carry out the anti-doping activities, prevent manipulations of competitions and provide services to Participants and to the media. All fields in this form are mandatory for those purposes.

I confirm that I have read and understood the "Information Notice on the Processing of Personal Data of Participants and other Accredited Persons for the Olympic Winter Games Milano Cortina 2026" (as reproduced in Annex 1A to these Conditions of Participation and referred to as "**Information Notice**") which contains important information regarding the processing of my Personal Data, in particular the purposes of such processing, the communication of my Personal Data to third parties and a description of the rights I have in relation to my Personal Data and that I can exercise following the modalities provided in Section 9 of the Information Notice. I further acknowledge that complementary information regarding the processing of my Personal Data, including health-related information, may be provided to me in due time, in particular, in case I am subject to doping controls (as indicated in the Information Notice in Annex 1A) and agree to read carefully such complementary information.

My Personal Data will be processed in a manner consistent with the Information Notice. I also acknowledge that some of my Personal Data will be communicated from the NOC to Milano Cortina 2026, and that such Personal Data will be subsequently communicated from Milano Cortina 2026 to the IOC and/or other recipients set forth in Section 5 of the Information Notice including those located outside of Italy. I further acknowledge that Milano Cortina 2026, the IOC, and/or the IOC's Affiliates may access, process and disclose these signed Conditions of Participation, including any Personal Data identifying me therein, to relevant third parties engaged in the organization, delivery, and promotion of the Olympic Games and related activities in accordance with the Information Notice. Such access, processing, and disclosure shall include all purposes necessary for protecting and enforcing their rights and fulfilling obligations in connection with the Olympic Games.

6. Information on the use of doping controls samples. My participation in the Olympic Winter Games Milano Cortina 2026, or any training to that effect, may imply doping controls that *inter alia* may lead to the examination of genetic characteristics for specific purposes listed below.

By participating in the Olympic Winter Games Milano Cortina 2026 or training to that effect, I understand that blood or urine samples collected in the context of doping controls may be used to compare genetic fingerprints and examine genetic characteristics for the sole purpose of detecting the presence or use of a substance or method prohibited by the Italian legislation or establishing another anti-doping rule violation.

The potential use of genetic analysis is limited to the detection of: (i) the administration of homologous blood, (ii) the substitution of collected samples, or other non-analytical anti-doping rule violations, (iii) a genetic mutation in one or more genes involved in performance leading to endogenous production of a prohibited substance, (iv) a genetic manipulation for the purpose of enhancing performance.

I acknowledge that these samples may incidentally reveal the existence of genetic characteristics that may have a concrete and direct benefit for me in terms of therapy or prevention or awareness for me or my potentially affected family members, and that I can choose whether to be informed or not about such incidental findings. I

acknowledge that I can declare my intention to be informed of such incidental findings that may become known during the examination of my doping control samples, by ticking in the checkbox below:

I wish to be informed of any incidental findings related to the existence of genetic characteristics that may have a concrete and direct benefit for me in terms of therapy or prevention or awareness for me or my potentially affected family members, and which may become known during the examination of my doping control samples.

7. Arbitration. The Court of Arbitration for Sport ("**CAS**") is exclusively competent to finally settle all disputes arising out of, in relation to or in connection with my participation in the Olympic Winter Games Milano Cortina 2026.

The seat of arbitration shall be in Lausanne, Switzerland and the language of the proceedings English. The decisions of the CAS shall be final, binding and non-appealable, subject to the action to set aside to the Swiss Federal Tribunal.

I hereby waive my right to bring any claim, legal action or to seek any other form of relief, including request for provisional measures, in any other court or tribunal, unless otherwise agreed in writing by the IOC.

8. Governing law.

I agree that these Conditions of Participation, and all disputes, controversies or claims arising out of, in relation to or in connection with these Conditions of Participation, shall be governed by and construed in accordance with Swiss law, without reference to its conflict of law rules.
